Air Purity Solutions

Whole-Home Air Purifiers

Healthy Clean Air in every home.

We are professional-grade Healthy Air solutions. AprilAire is on a mission to enhance people's health by improving the air in their homes. Healthy Air is essential to living a healthy lifestyle and improving our overall well-being. We are inspired by the needs of consumers and the expertise of professional contractors to create, design, and build innovative solutions.

AprilAire is Healthy Air.

5-year warranty on all installed products

Air Purity

What makes the air in my home unhealthy?

Dust, pet dander, cooking odors, mold, bacteria, viruses, and VOCs (volatile organic compounds) from household items like cleaning products can impact your home's air quality. In addition, outdoor pollutants like pollen and smog can enter your home, impacting the air that you breathe.

What can AprilAire air purification do to improve my home's air?

AprilAire offers a variety of air purification solutions to meet your home's needs including reducing odors, capturing 98%* of airborne viruses, and removing other harmful airborne particulates. Our air purifiers help create Healthy Air for your entire home, not just a space or a room.

In fact, the EPA has named indoor air pollution as one of the top five environmental risks to public health. With the amount of time spent indoors, it's no wonder so many people suffer from allergies, asthma and illnesses caused by airborne viruses and bacteria. AprilAire® can help you control the particles that are harming your home and your family.

*Contaminants removed based on air passing through the filtering system.

Trust the Experts

AprilAire has been delivering Healthy Air solutions to manage air purity, humidity, temperature, fresh air supply, and radon for all types of homes in all environments since 1954. We have an unparalleled reputation as the brand of choice among tens of thousands of professional contractors and the millions of homeowners who use our products every day. AprilAire is Healthy Air.

Cleaner, healthier air is within reach with AprilAire.

A whole-home air purifier from AprilAire will help you manage your family's health and comfort while protecting your HVAC system.

Clean Air

Filter out airborne pollutants in your home including asthma, allergy triggers, and PM 2.5 so you and your family can breathe easy.

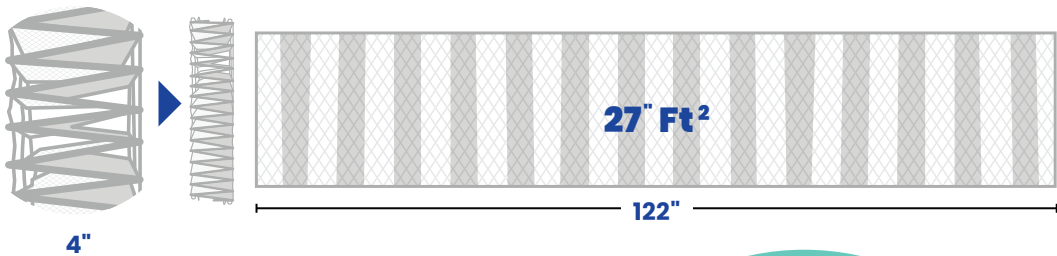

Virus Protection

Trust with certainty that your home is protected from viruses with top-rated AprilAire MERV 16 air filters.*

Peace of Mind

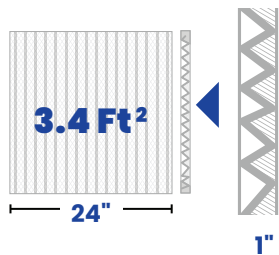

Know, with confidence, that you're making the right decision for your family to maintain wellness. AprilAire is Healthy Air.

AprilAire Filter

27 sq. ft.
MORE media to filter out harmful particles

Standard 1" Filter

Only 3.4 sq. ft.
LESS media to filter out harmful particles

More filter area means more particles captured, longer filter life, and greater system protection.

As the leader in IAQ and whole-home filtration, AprilAire offers homeowners and installers peace-of-mind and assurance that all aspects of our filters come together to provide the best Air Cleaner on the market today.

Pure Fit Promise

This filter is designed to fit your AprilAire equipment exactly - delivering healthier air to your whole home.

Self-Seal Filter

AprilAire patented technology assures air will not pass by unfiltered, keeping your home clean and HVAC system operating at peak performance.

Interlock Rails

Allows the high performance air filter to install easily without assembly.

Clean-Coil Guarantee

Should your air conditioner coil require a cleaning in the next 10 years, AprilAire will pay \$100 toward a cleaning by a professional.
